

THE WHITE HOUSE
WASHINGTON

December 10, 1955

Dear [REDACTED] STATINTL

Even at this late date--for which I apologize--you may be interested in seeing what the Governor actually said on December 1. While not precisely what we had in mind for him, it is nevertheless, in my judgment, a pretty darn good speech, being largely his own handiwork. And I can testify to the aplomb with which he delivered it.

Sincerely,

JAMES M. LAMBIE, JR.
Special Assistant
in the White House Office
